

**FINDING OF NO SIGNIFICANT IMPACT  
CONCERNING PROPOSED REGULATIONS**

**The Presidio Trust  
July 1999**

Having reviewed the Environmental Assessment of Proposed Regulations Concerning Environmental Quality (July 1999), I have determined, on behalf of the Presidio Trust, on the basis of this Environmental Assessment and for the reasons stated therein, not to prepare an environmental impact statement and instead to issue a finding of no significant impact for publishing these Regulations as proposed regulations and the adoption of these Regulations as final regulations.
